

Millfield 2 ICSS U15 1

After a run of bad results for the U15 side against much stronger opposition, the team were surprisingly upbeat going into the match away at Millfield.

The team performed well on a sunny yet windy afternoon against a much improved Millfield team. The opposition was different in many respects from the team that the IC had defeated twice in the Autumn term.

The match kicked off at quite a high tempo. The opposition used the wind well in the first half, passing the ball long and allowing their attackers to run on to it. The IC defence stood up to the task though, managing to put some nice flowing wing play together.

The Millfield attack managed to grab a goal not long before the half time break though with a well taken goal. The IC were looking a little tired at half time and were bolstered by some fresh legs in the defence and midfield.

The second half started with some good pressure from the IC midfield and attack with Latif and Chung-Che particularly working hard to try and win the ball from the opposition players.

The IC enjoyed several good attacks and were unlucky not to score, denied by some excellent Millfield defending and a good save from their goalkeeper.

The IC then went two goals down as Sunnatjon glanced a goal bound shot into the back of his own net! He rallied the team like a good captain should do though and soon the IC were applying some attacking pressure. One of the moves was finished by an excellent goal from Yang who calmly slotted the ball into the back of the goal as the goalkeeper rushed towards him.

The IC then pressed for an equalizer as the match drew to a close. Despite several good chances they were denied a result. Despite the defeat the match had gone well and the boys were buoyed by their performance.

With only matches against the Park School and the Grosvenor boys left, the U15 team are keen to add one more positive result to their season if they can.
