

## Millfield54 International College 49

The team's next game saw a return fixture against Millfield. The game started in competitive fashion and the IC team did well. They were organised in defence and the score was very close at the end of the first quarter. In the second period the IC team started to lose a bit of concentration and as a result the defending suffered and Millfield were able to establish a significant lead by half time.

The beginning of the second half was better from the IC players; they re-established an organised defence and managed to score enough points to close the gap through the third quarter. The good play continued into the final period and the IC team managed to get within just a few points with a couple of minutes left in the game. The tension was high and boys tried hard to level the game. However, they just came up short and in chasing the game allowed Millfield to do enough to keep the lead and finish the eventual winners by a just five points.
