Chilton Cantelo: 5
International College: 0

The last fixture of term saw International College suffer a disappointing defeat, losing five – nil to a strong Chilton Cantelo side. The College struggled to keep possession and were limited to one shot on target in the entire match.

The score line could have been considerably worse had it not been for the excellent efforts of Egor, on loan from Year 10, who made a number of brave stops in goal, and Cheng Yeng, who produced another impressive display at full-back. The captain Etienne also deserves credit for his committed performance in an unusually defensive role.
