

Chilton Cantelo - 8  
International College U15 - 2

In what was a hard match for the IC away at Chilton Cantelo, the boys tried their best against what were ultimately very strong opposition.

The IC team started the game excellently practicing what had been done during training sessions. Sergey took the ball down the right wing at the start of the game and won a corner. He then swung the ball across the six yard box and Grigory met it with his head and drilled it into the back of the goal.

In almost the next IC attack Sunnatjon took the ball down the left wing and beat two men, he then floated the ball into the box. For the second time in the game Grigory jumped high into the air, he connected with the ball and looped it over the Chilton Cantelo keeper.

With a two goal lead the IC were enjoying their afternoon, unfortunately their lead did not last long. The second goal woke the Chilton Cantelo team up and very quickly a procession of goals followed. By the end of the game the IC had conceded eight goals without replying further.

It was unfortunate that the team lost by such a heavy margin but the boys had tried hard and were unlucky not to perform better in front of a large away crowd.
