Hanson	0*
Bill	0*

After just five practice sessions, the IC took on their first opponents in a cricket match against Sturminster Newton. The match was a close affair, the number of extras given away by the IC bowlers proving to be the deciding factor. All of the team played well though. Javier picked up a good wicket with a fantastic catch from Jeffrey off his bowling. Some good running between the wickets helped the IC mount a good challenge as they batted second. Unfortunately they found themselves just 17 runs short of their target after the end of their 16 overs. The team are still learning at this point though and have done very well so far.
