Michael	0
Anthony	0
Frank	3
Jeffrey	0
Johnny	1*
In Hyun	0*

Just seven days after their first match and with only one practice session in between, the IC took on their second opponents in a home cricket match. The team all played well, bowling first the bowlers picked up seven wickets, including one run out from a quick thinking Jason, and two wickets each for Jason and Latif. The IC were set a target of scoring 100 off their 20 overs and due to a large number of extras coming off the opposition bowling, the IC made a strong start. This, combined with a huge six from Latif meant the IC were ahead of the run rate. Unfortunately though the opposition bowlers found their length and line and were able to limit the IC scoring opportunities as well as taking wickets. The IC held out through the 20 overs but finished 15 runs of the target set. Another loss for the IC but they are gaining in confidence and in ability as we look to the net game.
