

6th February 2010

International College 0 – 14 Millfield School

On a mild February afternoon, the International College Under-14 team came undone against a Millfield side which proved to be, by far, their strongest opposition of the year. Although the IC finished the game with a 14 goal deficit, a score line which somewhat flattered the opposition, College coaches and staff were extremely impressed with the boys' attitude, and their determination not to give in despite being 10 – nil down by half time.

Throughout the match the boys worked tirelessly whilst under heavy offensive pressure, in a resolute display that demonstrates how far they have come in such a short time. Special mention must be given to every member of the squad who all handled the defeat graciously and in good humour.
