

International College 8 The Park School 1

The U16 side got off to a flying start as Bernhard's header from a well taken corner by Abdullah found the inside roof of the net for the first goal. The Park school boys battled hard to try and get back in the game creating some chances. Ten minutes into the game the College found themselves with numerous opportunities to increase their lead but poor shooting was their downfall.

Abdullah bundled in the second goal from a goal-mouth melee and it stayed that way up until half time.

In the second half the College stepped up play and were soon out-playing the opposition.

Mohammed soon found his range with his shots. His runs from the right flank were threatening and he managed to score a hat-trick as the College took total control. Tomasso got in on the act with two well struck goals, while Bernhard also scored a brace.

The Park School managed a consolation , an extremely well taken one but the damage had already been done.
