

### International College U14 0 Chilton Cantelo 3

The International College U14 team suffered defeat after losing to a well organised Chilton Cantelo side on a windy afternoon down at the Sherborne pitches.

Chilton Cantelo departed winners by three goals to nil but it was by no means a one sided game and the boys were unlucky to have not got on the score sheet.

Max M's penalty was well saved by the opposition goalkeeper and the team were unlucky not to have had the ball in the Chilton net on several other occasions.

The team showed some improvement from the opening victory of the season with the defence of Rikiya, David, Oscar and Yury showing that they are learning how to work together as a team. The midfield was again strong with particular praise being reserved for Carl who ran tirelessly throughout the game.

Max M can be disappointed he didn't add to his tally of three from the first game while Assan can again be pleased with his work ethic and effort for a second consecutive game.

The boys can be proud of their showing against a strong opposition and should relish the chance to face Chilton Cantelo in the future.
