

International College Sherborne School U14's vs. Millfield School

16/01/10

Millfield 9 International College 1

A thoroughly entertaining and competitive match was played on Saturday afternoon with the under-14 team putting in a performance they can be very proud of.

Although the boys eventually lost by nine goals to one, it was a much closer affair in which the International College players fought valiantly and were unfortunate not to have troubled the Millfield goalkeeper on more occasions.

Jorge scored a great free kick from all of 25 yards which was the best goal in the game and on several other occasions the Sherborne players came close to adding to their solitary goal.

Special mention must go to Yury, who put in a great performance at left-back, a position that he is now beginning to make his own, and also to Jassim, who worked tirelessly, showing us all the skills we know he possesses.

Although the score line did not do justice to the U14 team, it was the manner in which they accepted the loss that impressed their coaches especially. They were gracious in defeat and even commented on how they had enjoyed their day out against a very strong opposition. Well done boys!
