

### IGCSE/GCSE Results 2009

The GCSE/IGCSE candidates at International College in the summer of 2009 secured higher-grade passes (A-C) of over 87%, the second highest in the College's history. This compares well with the national GCSE pass rate (mainly native English speakers!) of 67.1%. The College is particularly proud of its results as students sit IGCSE Separate and Double Award Science, which we feel to be more rigorous examinations and a better preparation for A-level.

The higher-grade passes in the main subjects are as follows, with the number of candidates in brackets:

English Language	93.5 (77)
English Literature	100 (14)
Mathematics	95.7 (93)
