

MATCH REPORT

International College U16 0 Milton Abbey 5

Thursday 8th October

The College u/16 Football side went up against a much fancied and settled side from Milton Abbey last Thursday 8th October. Our boys from the International College were keen for a big game, and delivered another performance that the school can be especially proud of.

Milton Abbey were superb in all areas of the pitch, and have obviously spent the last number of years playing together. Our boys did very well to battle against some very settled combinations in the opposition team, and special mention must go to the College defenders – led superbly by Anton at centre back, who managed to tame a very rampant attacking midfield and striking pair from Milton Abbey.

After a very tight first half, where both sides had many chances on goal, it was Milton Abbey that managed to make the most of these, and raced out to a three goal advantage. Vadim managed a shot on goal that almost shattered the right post, and Sunnat came close a number of times with some powerful shots from just outside the box, but nothing seemed to bring about that elusive goal. The match ended with a convincing win on the score board for Milton Abbey, but was tightly contested throughout the 70 minutes. At such an early stage of the season, the boys can be especially proud of their spirited team performance, and as a school, we can be very proud of Sunnat and the boys. Good luck for the next game, gentlemen
