

ICSS U14 vs. Sherborne Boys 4/3/10

The International College eventually lost 3-1 to a strong and well-organised Sherborne Boys team but there was much for the junior boys to be proud of.

Jassim scored his first goal of the season with a tidy finish in the box following some good build up play from the midfield. It was a great finish and a reward for his continued improvement this term.

Although the Grosvenor boys were again defeated they showed great resilience in keeping an attacking team at bay and it was only good finishing that undone an otherwise sturdy defence.

Rikiya and Oscar were again rock solid at the back and showed that plenty of practice and effort can really make a difference on the pitch.

The boys have only one more football fixture remaining, again versus the boys' school, and they can look forward to that game knowing that a similar performance could well result in a much-deserved victory.
