Less than a week since their first victory against Clayesmore, the IC team found themselves facing the same opponents at home on a windy but sunny Thursday afternoon.

The match kicked off and it became clear quite quickly, that the form that the IC had experienced during spells in the last game was continuing. Seven minutes into the game Sergey shot goalwards from about thirty yards out and a combination of the wind and sun shining in the opposition goalkeeper's eyes the ball found the back of the net. The IC led 1-0.

With the wind behind them , the IC pushed on making the most of their dominance in possession. They were well on top for the majority on the first half and as the despairing Clayesmore defence tried to battle the ball away from the IC players they were unable to prevent Matiya scoring a well taken goal to extend the IC lead.

The last ten minutes of the half saw the IC increase their lead by a further two goals. Best was the first to add to the tally with a good goal to make it 3-0.

A good move on the right saw captain Sunnatjon in a position to cross the ball dangerously into the area to be met by Yang's well timed header. The ball rocketed into the back of the goal to mark what would be the IC's final goal of the game.

At half-time the IC were in dreamland, leading by four goals. Although they were extremely tired and knew that the second half was to be a real battle. The Clayesmore team recomposed themselves in the second half and were quick to pull one goal back. The IC then came under a lot of pressure that resulted in a second goal for the Clayesmore team. Thoughts of a come back was on the Clayesmore team's minds but the IC defended staunchly and some excellent goalkeeping from Igor kept the score as it was.

Everyone played well and Igor came out of the game with the man of the match award for the IC. With back to back victories for the IC, the third match of the series at Clayesmore is sure to be another exciting game.
