After a cancelled fixture against The Park School and a good couple of warm up games against the Grosvenor House team and the senior team, confidence was high going into the match on a cold Saturday afternoon away at Millfield.

English language exams prevented King, Egor and Goga from making the journey and Vasily, Pavel and Gaspard were drafted into the team to replace them. Matiya (captaining the side due to Goga's absence) was unlucky not to score early on in the match after being put through on goal by an excellent through ball from Pavel from the right wing.

After a good start the IC came under a lot of pressure in towards the end of the first half but some good skill from the defence and some excellent shot-stopping from Gaspard kept the score level. It was only at the end of the first half that the opposition managed to breach the staunch back four of Tom, Vasily, Jason and Jonathan. At half time the score was 1-0 to Millfield.

Five minutes into the second half Millfield managed to score a couple of quick goals and before the IC realised it, the score was quickly 5-0 with the addition of two further strikes. Changes were made to the IC team with Gilbert and Shaaz trying to sure up the tiring defence but a bad pass resulted in a well taken goal by the Millfield attack.

Pavel managed to restore some pride for the team with an excellent individual effort late on. This was followed by a spectacular freekick by Millfield that would have beaten most goalkeepers. The opposition then added two more goals before the final whistle, the final score being 9-1 to Millfield.
