

Saturday 17<sup>th</sup> January

International College     **5**

Vs

Downside                     **23**

The second away match of the netball season proved to be an enjoyable one for all involved. Although the weather was cold and windy, team spirits were high. The first quarter of the match was a tough one, with Downside scoring ten goals. However, after a quick re-shuffle of positions the International College came back in the second quarter to score their first goal of the game, then going on to score another two in that quarter. The IC's team work as a whole was much stronger and there were some great passes coming from the Centre, Goal Attack and Goal Shooter: Maria, Sarah and Kik respectively. As the game progressed, the International College team continued to make an excellent effort, not giving up even to the last seconds of the final quarter. Although Downside managed to widen the gap, the IC did manage to score five goals which is an excellent achievement when playing against a team with so much experience.

The most important aspect of the match was that the team had fun and enjoyed playing what was for some, only the second game of netball they have ever played! The team gained some valuable experience and Downside must be congratulated on making the international college feel so welcome and the efforts they made throughout the game. The international college girls should be proud of how well they played and look forward to their next fixture. Well done!
