

International College 3 Park School 2

A Debut day hat trick was enough to hand the International College Under 14 team a victory in their very first football match.

Max scored three first half goals that ensured the College came from behind to beat Park School 3 – 2 on a sunny afternoon on the Sherborne School playing fields.

A superb team display against a competitive opposition showed that all the hard work the boys had put in during training had been worthwhile.

Sergey was outstanding in goal, particularly as he only pulled on the gloves for the first time a couple of days before, while the defence earned praise not only from their own managers but also from the head of the Park team.

A midfield bursting with talent was marshalled well by captain Jorge and supplied the forward players with the opportunity to put the Park defenders' under pressure.

In a game that was packed with excitement and some excellent flowing football, every boy played their part in an excellent win that sets the U14's up nicely for a successful season that they should look forward to with relish.
