ICSS U15 vs. Sherborne Boys U15C

ICCS: 8 Sherborne Boys: 1

After a defeat against Millfield, the U15 team were determined to put in a more focussed performance against Sherborne Boys.

A very cold wind sweeping across the field made for playing conditions which were far from ideal.

Both teams took a while to get into the game. Good interplay amongst the College team resulted in Lorenzo scoring the first goal early in the match. IC grew in confidence and managed to score another three goals in quick succession. Two of these goals came off the boot of Lorenzo, with Javier scoring the first of his three goals. The rest of the first half was dominated by the IC attack and the relentless defence in the midfield.

The second half started much like the first half. A couple of near misses by our strikers gave the possession to Sherborne Boys and they managed to score their first and only goal fifteen minutes into the second half. By then, most of the substitute players had been given an opportunity to play and gave of their best. A quick restart caught Sherborne Boys napping and Javier scored after a scramble in the penaltyarea. This goal ignited IC once more and goals from Marik and Igor secured an 8-1 victory. This was the first win of the season and a well deserved one.
