The second meeting between the International College and Millfield saw the IC team secure a strong victory. In the opening minutes of the game, the IC team set the pace with a stylish set piece which saw Karl find the box from a good corner kick, to be neatly headed in by Tommaso making the score line 1-0.

Following some great passing play in the midfield, the second goal was engineered again by the pair. This time a great use of the wing and a good cross, gave the Italian striker the opportunity to find the back of the net with a great volley. Some fantastic passing play by Luffy and Richard ensured that possession remained in IC hands (or rather feet!) for much of the game.

Millfield were never given the chance to level the score thanks to the tenacious defence, which saw the likes of Toby, Artyom and Aibek quickly extinguish Millfield's best efforts. Those that manage to break the wall were handled with precision by the goalkeeper Ruslan. The IC team didn't finish after two, however, as a further four goals scored by Tommaso (1), Karl (1) and Bernhard (2), set the final score at 6-0. A great victory for the boys almost distracted attention away from the freezing cold temperature!
