

ICSS U15 - 2  
The Park School - 4

In their last match against another school this season, the U15 team played some nice flowing football at times during this match.

The IC team put a lot of pressure on to the Park School during the first half, but despite numerous chances were unable to score. They were punished for this when the Park School took the lead and quickly added a second goal to it.

The IC did not let this effect them though and they continued to play some good football using the space on the wings. Before half time came Sunnatjon was able to get through on goal and worked himself some space in which to shoot. With the ball in the back of the net, the IC were back in with a chance.

Some changes were made in the second half and although the IC had the momentum, they were caught on the break by some quick play by the Park School attack which resulted in the score becoming 3-1.

Some of the IC players were starting to show the tiredness that comes with playing three matches in a week and this was one main cause for defeat as the skillful Park School striker marked their fourth goal of the afternoon.

With the match beyond saving, the IC made wholesale changes. All members of the squad were able to take part in the second half and as the match played out Sunnatjon found himself once more in the clear. After blazing an earlier second half chance wide, this time he took a well earned goal to make the score look respectable for a hard working IC team.

Well done to all involved this season, there have been some very memorable moments including away wins at Millfield and Clayesmore. Also congratulations to captain Sunnatjon who finishes this season as U15 top scorer!
