

International College 12 Vs Sherborne Girls School 10

Team

Maria (c)

Karina

Hsiao Ching

Yulia

Sarah

For their first basketball fixture of the spring term, 5 girls from the International College (along with die-hard IC supporters Madina, Kelly and Mrs Broadbridge) made the short trip up the road to Sherborne Girls School. After a five minute warm-up and a quick pep talk from Karina, the game was underway, the first quarter ending 4-2 to Sherborne Girls. In the second quarter, the girls from the IC began to hit their stride. Yulia was excellent in defence and after some great teamwork in attack, Maria and Sarah scored to bring the half-time score to 6-6.

After half-time the IC girls produced more good attacking play, with long passes from Karina finding Sarah and Hsiao Ching who were both able to get passed the Sherborne Girls defence and score. Karina just missed out on a three pointer when it was ruled that she was on the line when her long range shot went in the basket.

12-10 to the IC in the final quarter led to a tense ending to the game. But a tenacious International College defence held strong despite a last gasp effort by Sherborne Girls meaning our girls recorded their first basketball win off the year. All 5 girls put 100% effort into the game and played for each other creating a great team spirit that is well worth a mention - well done girls!!
