

Match Report

U15 ICSS Versus Sherborne Boys - Thursday 11th March 2010

ICSS 4 : 1 Sherborne Boys

The IC under 15 team maintained their good record this term with their third win against Sherborne Boys' C team, making sure that they finished their season on a high. The match was played on a cold but sunny afternoon following a period of dry weather for the UK, handing a new problem of a harder surface and a bouncier ball!

On previous occasions a flying start and early goal usually gets the game going but this one took a while to liven up with the game being played between the two midfields. It was the IC that eventually brought the game to life with a goal from Javier Suarez Canto. Javier then turned provider moments later putting a nice through ball beyond the Sherborne Boys defence for Maric Lee to run onto and finish emphatically into the roof of the net. The IC 2-0 up at half time.

The IC, only 2-0 up had to contend with a strengthened opposition in the second half and the difference was noticeable with good passages of play. The defence though was equal to the pressure and the IC under 15s eventually killed the game off with a well worked counter-attack, 3-0. Lorenzo Marignano assisted Javier with a through ball, the Spaniard then brushed off a challenge before finishing his one on one chance.

Sherborne Boys got a goal back with 20 minutes remaining to give the game a more exciting climax but the game was soon put out of sight again with another goal from Javier. This time the goal came from a 25 yard free kick that eluded everyone and bounced into the far corner of the goal.

The IC under 15s ended the term with a record of 3 wins, 1 draw and 1 loss; a great improvement on last term's 2 draws. As a coach I'd like to commend the students on their performances in this match and throughout the season; well played!
